

VACANCY TEACHER OF MODERN FOREIGN LANGUAGES IN FRENCH AND/OR SPANISH

Location: Shoeburyness High School

Salary: Main Pay Range MPR2 – MPR6

Required for: January 2021 with possibly an early start

We aim to be the most outstanding school nationally and we are seeking to appoint a dynamic, innovative Teacher of Modern Foreign Languages (MFL) continue to support us in this aim.

The Modern Foreign Language Department is an enthusiastic and growing department. Shoeburyness High School is highly acclaimed by Ofsted with results significantly above average. We believe that schools “can” and “do” make a difference and our staff are the most important resource in the school.

Our students expect to be engaged and challenged and you must have a passion for your subject and the desire to communicate this passion to young people. Although you will be expected to have either French or Spanish as your primary teaching language, the ability to teach both languages would be an asset.

You now have the opportunity to be part of a hardworking, successful Modern Foreign Languages Department and school that offers languages at KS3, 4 and 5. Pre-application visits welcome.

Please contact or email Jill Saunders for application packs at:
