

EYFS Home Learning 29.06.2020

Hello Reception,

For those of you still at home we hope you are staying safe and well. We hope you are continuing to work hard at home and enjoying carrying out lots of activities. Here are your next set of activities for the end of Summer 2. There are some resources at the end that can be printed out or copied, to help you. Please check Tapestry regularly as well as Purple Mash where you can communicate with us if you have any questions or queries, as well as sharing your work with us. We will upload some more activities and challenges for you on these platforms as well. Again, we have tried to mirror what the children are doing in school to ensure you are participating in the same activities.

Best wishes,

Miss Collins and Miss Bruin

Subject	Work Activities
Reading	<ul style="list-style-type: none">• Continue to read age appropriate books whether it be first thing in the morning or at bedtime. Encourage your child to segment the words themselves.• Continue to practise reading tricky words (attached)
