Dear parents/carers,

As you are aware, we use Tapestry as our online learning journey. This provides you with the wonderful opportunity to see what your child has been doing in school, as well as enabling you to upload observations from home.

This valuable resource is constantly used by the staff to share the range of activities your child has taken part in. Any observations uploaded by parents/carers will go towards supporting the assessment of your child and help to build the next steps in their learning.

Please fill out the required information as requested below and we will complete the application on your behalf. Once you receive the email link, you will need to activate the account.

There will be the opportunity to attend a workshop on Tuesday 27th September 2022, to inform you on how to use Tapestry. Should you need any further support using Tapestry, please let your child's teacher know.

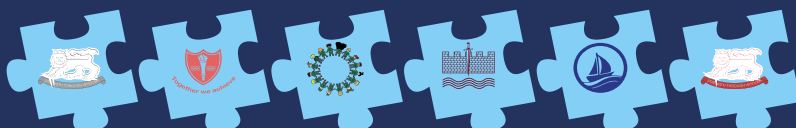

At the end of the academic year, you will receive a Tapestry link to download your child's profile, therefore we would like to encourage as many of you as possible to sign up.

Thank you in advance for your support with this.

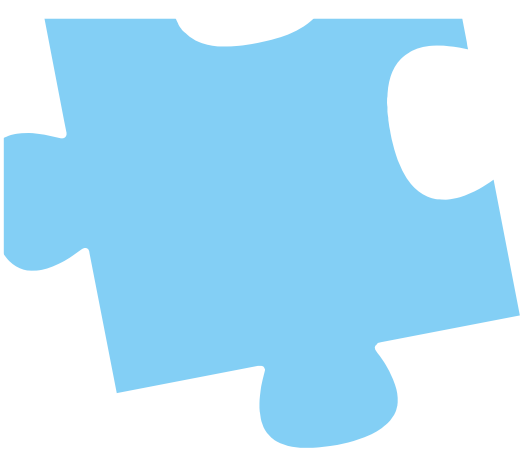

Kind regards,

EYFS Team
