ACHIEVING, CARING AND RESPECTING WITH CONFIDENCE

ISSUE 22 : 8 MARCH 2024

Dear Parents,

It has been a wonderful week of learning and we have even had the sun shining on us which has made a welcome change!

Year groups have been enjoying this outside weather with scavenger hunts and outdoor PE at last - here's to more of it! We have had children planting in the wildlife area with hopes of starting our own crops as we move further into spring too.

We have had a busy week of learning across the school with cooking, science experiments, loud Boomwhacker music, some fantastic art being produced, as well as the usual Times Table Rock Star rivalry amongst the year groups and creative story writing.

1W were exceptional in their class assembly all about Superheroes and what it takes to be a hero and to top it off, all year groups enjoyed an author visit as part of World Book Day and it was wonderful to see so many children and grown-ups around the school dressed as their favourite book characters.

Mrs. Jackson-Mayo

Year 1 have been reading and exploring fairy tales. They have enjoyed reading a story written by the wolf from the Three Little Pigs, who told them he was framed, and really he was a nice, friendly wolf. The children took it in turns to be the wolf, while their peers interviewed him. After the intense questioning and lots of debate, Year 1 voted whether they thought the wolf was good or bad.

Year 4 have been using atlases this week, to locate Côte d'Ivoire in Africa and learn about responsible trading and its effects on climate change.

In 4M, they were cooking up some Latvian potato cakes! The children prepped and cooked them, before writing up the instructions. Some budding chefs in the making!

In RE, 6N have been looking at Christian architecture. They designed their own ideal place of worship.

LET'S CELEBRATE!
