

Choose your homework each week from the menu below.

The Peri-ometer indicates the level of challenge in the homework.

You must attempt **at least one Extra Hot** task every half term.

Year 4

TAKEAWAY HOMEWORK MENU

Write a newspaper report with the headline, "Chocolate Covers The United Kingdom!"

Create your own dichotomous key for sorting different types of chocolate bar.

Design an experiment to test whether water freezing or chocolate melting are reversible changes. Remember to list your prediction, equipment, method and conclusion.

Write a poem about chocolate. Include a metaphor, a simile and some alliteration.

Research the living things that you would find in the Amazon Rainforest. Write the information as a fact file.

Write a persuasive letter to the loggers that are chopping down the rainforests. How can you try and convince them to save the rainforests?

Search for a list of countries that grow or produce chocolate.

Think of five questions that you would ask the leader of a Maya tribe.

Survey your friends and family. Which chocolate bar is their favourite? Now present the data in a table or graph.

Write a list of words to describe chocolate.

Draw a design for a new chocolate bar package.

Write the definitions of your weekly spellings in full sentences.

A selection of complimentary side orders may also be offered throughout the term for you to take home with you.
