

Its Hot Chocolate Weather!

This week we have seen the temperature drop in temperatures, due to COVID we are still having the windows and doors open to ensure the rooms are ventilated correctly therefore please could you ensure that your children are wrapped up nice and warm. We are pleased to announce that together we raised £351.19 to be shared equally between Children In Need and World Diabetes Day. Thank you for your kind donations. We would also like to thank you for supporting the PA and purchasing the Christmas cards, we managed to raise £200. We have some virtual events upcoming, class assemblies etc. that we know all the children love to be a part of, therefore, please remember to complete your photo consent form to ensure we can have all children participating in these. This means they can all be shared with all parents in the year group. We would also like to thank you for all your positive comments about our new hot dinner menu, the children are really enjoying trying the new foods on the menu and the catering team are pleased to get back to doing what they do best.

A Special Well Done!

Well done to Ollie for his amazing poem. It really is fitting for the strange times we are currently in.

Golden Rules

We would like to share our updated School Rules with you:

- We listen carefully
- We are kind and gentle
- We are helpful to others
- We work hard and try our best
- We look after property - our own and of others'
- We are honest and respect others

Weekly Challenge

OPEN-ENDED QUESTION

Benjamin's Mum bought a packet of biscuits at the Supermarket.

It contained 32 biscuits, in 16 different flavours.

Mum slipped over, and dropped the biscuits. **MANY** were broken. How many **UNBROKEN** biscuits may have been left? Give 3 possible answers.

Christmas

We would like to remind you that Christmas cards can be brought in and dropped in the correct year group box for **1 week only** between Monday 7th Dec and Friday 11th Dec. We are working hard behind the scenes arranging Christmas and will inform you as soon as possible.

Curriculum

Year 5 have been working extremely hard whilst learning about longitude and latitude. They have been creating continents using collage.
