

Dear Parents/Carers,

As of next week (11/01/2021), we will be setting each subject as an '**Assignment**'. The children can go into these Assignments and find everything they need for that subject for the work to be done; such as the PowerPoint, instructional videos and extra resources. Instructions on what to do will also be in there.

They will also be able to upload the work here once they have finished. Please make sure you are uploading the correct work into the correct assignment; this can be done on a Word Document or a photo can be taken of handwritten work and uploaded too. (Ideal for Maths!) Please ask the children to write their name, date and subject at the top of each piece of new work.

Morning videos will continue to be uploaded onto the weekly forum (WC date) chat each day and will automatically be saved in the files tab, so please ensure you are in the correct week. Please watch these before starting work each morning. **Instructional videos** may be added throughout the week to Assignments when needed (e.g On Wednesday, a video may be uploaded into the English assignment that will help the children in their task for that day). The PowerPoint will inform you if there is a video to watch.

Below is a timetable that can be followed until half term and will ensure your child is meeting the work expectations that we have. Please try and stick to this as much as possible.

Day	English	Maths	Foundation	Spellings	Cracking Comprehension	Reading	Work to upload
Monday	Day 1 of assignment	Lesson 1 of assignment	Art Complete assignment	1 activity	1 activity	½ Hour fiction	English Maths Art
Tuesday	Day 2 of assignment	Lesson 2 of assignment	PE Complete assignment	1 activity		½ Hour Non-fiction	English Maths
Wednesday	Day 3 of assignment	Lesson 3 of assignment	History Complete assignment	1 activity	1 activity	½ Hour fiction	English Maths History
Thursday	Day 4 of assignment	Lesson 4 of assignment	Science Complete assignment	1 activity		½ Hour Non-fiction	English Maths Science
Friday	Day 5 of assignment	Lesson 5 of assignment	RE Complete assignment	Spelling Test	1 activity	Read what you like!	English Maths RE Spelling Test CC

It seems that a lot of children have got use to uploading work now which is fantastic and will be even easier going forward as you can use each assignment to upload work to. If you are unable to upload work for whatever reason then please send it to year5@thorpedene.southend.sch.uk . This email account will be monitored through the day and feedback sent.

Keep up the good work Year 5!

Kind regards,

Mr Davies and the Year 5 Team
